

SICK OF TELEMARETERS?

Join the National
Do Not Call List

Telephones in Residence Hall rooms are privately-owned phone numbers. Federal Communications Commission regulations do not allow OSU, as a service provider, to place privately-owned phone numbers on the National Do Not Call List.

2 Simple Ways to Block Calls

1

Call this number from the phone you wish to block:

1-888-382-1222

2

This will register your phone on the Do Not Call list and block your phone from telemarketers for 5 years.

You may also register your phone by visiting:
